Pomp and grandeur @ 18th Annual Day Celebrations

Padmashri, Dr. Mohanbabu delivering the address

Hilarious skit by Rocket Raghava and his team

Annamacharya Institute of Technology and Sciences, Rajampet, celebrated its 18th Annual Day pompously on 24th March 2016 in the open air auditorium. The ceremonial place wore a festive look with tasteful decoration. The Chief Guest, Dr. Mohan Babu, popular film-star, educationist, and philanthropist, brought dignity and value to the event. Sri Choppa Gangi Reddy, the Founder, presided over the Annual Day Celebrations. Prof. S. M. V. Narayana, Principal presented the annual report that encapsulated the activities on the campus for the academic year 2015-16. He felt that budding engineers are empowered by the practical knowledge of the subject. Dr. Ramachandra Reddy, Chairman of the Trust, appealed to all the audience to take care of health which is pivotal for happiness and prosperity in life. Sri Ch. Samuel John, 11th Battalion Commandant, APSP, Siddavatham, was the special invitee and he urged student fraternity to be ethical life and career.

Dr. Mohan Babu, talked about the affinity and harmonic relationship with Sri Choppa Gangi Reddy and praised his uprightness and moral inclination. He advised the students to fully utilize the knowledge and wisdom gained from the teachers. He felt that this could be possible by being regular to the classes and plan their future from first year itself.

He cautioned them that no company will hire them if they do not possess effective communication skills along with subject knowledge. He further added that discipline and humility drive anyone to success. He emphasized the need to respect women and heinous attack on women has to be condemned. Prizes were given away for the class toppers and students who represented at university level tournaments. Cultural activities unfolded the talent of students in dancing and skits. Jabardasth fames Rocket Raghava, Shaking Seshu, Trinath and Arjun performed rib-tickling skits.

Sri Abhishek Reddy, Treasurer; Sri Yella Reddy, Vice-chairman; Prof. G. Prabhakara Rao; Director; and Prof. S. M. V. Narayana, Principal, indulged in a fitting felicitation to the Chief Guest, Dr. Mohan Babu.

Dr. Mohanbabu being felicitated by Sri C. Gangi Reddy

Cultural and Sports Day Celebrations

Members of Jabardasth playing a hilarious skit

Cultural and Sports Day of AITS was celebrated splendidly on 23rd March, 2016. Sri. A. Rajendra, DSP, Rajampet was the chief guest of the program. Addressing students Mr. Rajendra said that every human on this earth needs mental alacrity to get going and such alacrity is enhanced by taking part in sports and cultural activities. Comedians from ETV Jabardasth program were also invited to perform skits. Jabhardasth fame, Adhirey Abhi suggested that students should be ready to harness every opportunity that lurks around, relentlessly trying the innovative ideas that would unlock the door to success. Winners in intercollegiate sports and cultural competitions were given away prizes. The evening was a showbiz with various cultural programs to the merry of students. Jabhardasth fames Adirey Abi, Rachha Ravi, Mukku Avinash and former alumni of the collage Harinath stole the show with their fun packed performances. Sri Choppa Gangi Reddy, the Founder; Sri Yella Reddy, Vice-Chairman; Prof. G. Prabhakra Rao, Director; Prof. S. M. V. Narayana, Principal were present.

Student performing a traditional dance

Annamacharya Talent Meet 2016

Delegates releasing the Proceedings of the symposium

Annamacharya Talent Meet, a national level student symposium, was jointly organized by all the engineering departments from 29th February to 3rd March 2016. Prof. B. Jayarami Reddy, Principal, Yogi Vemana University College of Engineering, who graced the occasion as the chief guest, said that symposia of this kind are instrumental in synergizing wisdom of all the students. He urged students to channelize their talents towards important aspects for self and societal development.

Sri N. V. S. Subba Raju, S.E. of APSPDCL, was invited as the Chief Guest of the program on the 3rd March. During his address, he appealed to the students to give wings to the dreams of their parents. Every student should avail the opportunities and initiatives offered by state and Central governments to be entrepreneurs. Dr. Jaya Chandra Reddy, the Dean, Y. V. University, was the Guest of Honor and he shared that among the major problems that India has been facing, energy demand is one of the major issues which can be resolved by harnessing the renewable energy sources.

Prof. S. M. V. Narayana, Principal, said “passion to learn aids students in building great careers”. “Books cannot teach all the essentials that benefit the society, these programs come to fill the void and ensure the essential requisites to be learnt by the students” said Prof. G. Prabhakara Rao. Sri Yella Reddy, Vice-chairman of the Trust, also spoke.

Prof. Sivarami Reddy, acted as the convener, advocated the students that self-learning and problem identification skills assist in knowledge acquisition. Prof. Madarvalli, Head, ME; Prof. A. Subramanyam, Head, CSE; Prof. Padmalalitha, Head, EEE; Prof. Sreeramulu, Head, CE; Prof. Abdul Rahim, Head, ECE; and Prof. Subba Rao, Head, IT shared the dais with the delegates on respective days of the event.

An awareness programme on Web counselling and Engineering

Sri C. Gangi Reddy, the Founder, speaking to the audience

An awareness programme on Web counselling and Engineering education was conducted by AITS Rajampet in Kurnool on 29th May 2016. Sri C. Gangi Reddy, the Founder, advised the students and parents to select the college based on infrastructure, faculty and placement opportunities. Prof. Hemachandra Reddy, Ex-Registrar of JNTUA, shared that there are ten lakh jobs waiting for the engineering graduates who possess necessary skills. Dr. Raja Sekar Reddy, Ex-secretary, APSCE, said it is important to choose right college to build a bright career. Dr. Jayachandra Reddy, Principal, Y. V. University also spoke.

A National Conference on Recent Advancements in Power and Energy Systems

Prof. D. Thukaram, IISc, Bangalore, delivering the keynote

A National Conference on Recent Advancements in Power and Energy Systems was organized by the department of EEE on 25th April, 2016. Prof. D. Thukaram, IISc, Bangalore, delivered the keynote address which touched upon the developments in power sector, system analysis, planning and operations. Students hailing from different engineering colleges presented their research papers. Prof. Gauri Manohar and V. Usha Reddy, Assistant Professors from S. V. University College of Engineering acted as judges for the sessions. Prof. Padma Lalitha, Head, Dept. of EEE and other faculty took part in the event.

Kerinth, a National Cultural Fest

Sri V. Aravind Babu, DSP, being felicitated by Sri C. Gangi Reddy

A Three-day National Cultural Fest *KERINTHA* was grandly hosted from 10th to 12th January 2016 by Cultural Association. More than 250 students from all over the state participated in this event. Sri V. Aravind Babu, DSP Rajampet graced the occasion as the chief guest of the function. Addressing the students, he said that students should participate in cultural activities to boost their morale that helps them reach high goals in life.

Sri C. Gangi Reddy, Honorary Secretary, expressed his happiness for organizing the event in a grand way and asked the students to participate in activities to relieve from the pressure of academics. Prof. S. M. V. Narayana, Principal, said cultural activities reflect the rich culture and heritage of India. Dr. G. Prabhakar Rao, Director, opined that taking part in activities will bring in competitive spirit. Prof. Subba Rao, In-charge, Cultural Association, also spoke.

On the second day, competitions in dancing, singing, rangoli, mono action, mimicry competitions were conducted to students. Mr. Ashwin Babu, Raju Gari Gadhi fame, presented prizes to the winners of the competitions on the last day of the cultural fest.

A sizzling dance performance by student

Farewell Day Celebrations

Department of Computer Science and Engineering

Department of Electrical and Electronics Engineering

Department of Information Technology

Mega Tree Plantation by NSS Unit

Sri C. Gangi Reddy, the Founder, taking part in the plantation

A Mega-scale tree plantation programme was organized by the NSS Unit on 2nd June 2106. Sri C. Gangi Reddy, the Founder, inaugurated the plantation programme by planting a sapling and requested everyone to plant a tree to help environment and nature. Mr. Bala Narasimhulu, the Forest Officer, Rajampet, monitored the programme and explained how to plant trees and protect them. Prof. G. Prabhakar Rao, Director; Prof. S. M. V. Narayana, Principal; Sri C. Yella Reddy, Vice-chairman, Dr. L. Obulapathi, NSS Programme Officer took part in the plantation programme.

NSS Youth Festival

Prof. M. L. S. Dev Kumar, NSS Secretary, JNTUA, speaking

A District level NSS Youth Festival was conducted under the supervision of Dr. M. L. S. Dev Kumar, NSS Secretary, JNTUA at AITS Rajampet on 23rd January 2016. More than 180 students from 10 NSS units all over the district participated in the youth festival. NSS Unit of JNTU College of Engineering Pulivendula bagged the best performer title. Students from AITS Unit won first prizes in four categories and qualified to participate at University level NSS Youth festival. Chief guest of the event, Sri Prabhakara Palle, RDO of Rajampet advised the students to take up social responsibility activities as a means to serve society. Prof. G. Prabhakara Rao, Director; Prof. S. M. V. Narayana, Principal; Dr. L. Obulapathi, NSS Programme Officer were present.

Students shone @ University Fest

Winners with Sri Yella Reddy, the Principal & the Director

A University-level NSS Youth Festival was organized by JNTUA Anantapur on 29th January 2016. As part of the fest, competitions were held in cultural events such as Dance, Singing and Music. N. Harika, V. Rohitha, I. Sunitha Rani, T. Chethan Kumar, L. Venkatesh, T. V. Bhargavanath won the first prize in Group Dance. P. Therisa bagged first prize in Solo Instrument. S. Sai Kumar won first prize in Mimicry.

A Guest Lecture on Career Guidance

Mr. Emmanuel Gosula, Oakton, delivering guest lecture

Mr. Brahma R Beeram and Mr. Emmanuel Gosula, Economists from Octon, Hyderabad, delivered a guest lecture on Career Guidance to 3rd B. Tech. and M. B. A. students on 29th January 2016. They threw light on the importance of manufacturing new products and the use of technology for high production in the field. They also stressed the importance of right attitude, interpersonal relations and communication skills in the growing business sector. Sri C. Abhishek Reddy, Treasurer; Prof. G. Prabhakara Rao, Director; Prof. S. M. V. Narayana, Principal; and faculty were also present.

Faculty Interaction with Dr. Saibaba Reddy

Dr. V. S. S. Saibaba Reddy, VC, VSS University, being felicitated

Dr. V. S. S. Saibaba Reddy, Vice-Chancellor, V. S. S. University, Orissa visited the college on 26th March 2016 and interacted with the teaching fraternity in the Institute gallery. He opined that faculty must update their teaching methodologies in tune with growing information and technologies. Teachers should feel responsible to mold students meritorious by encouraging students to think innovatively. Prof. G. Prabhakara Rao, Director; and Prof. S. M. V. Narayana, Principal, and other Heads of the departments felicitated Dr. Saibaba Reddy.

Knowledge Transfer Initiative by Students

Student Volunteer from EEE conducting awareness programme

As part of the Knowledge Transfer Program, II & III EEE students took up an initiative in creating awareness on computer literacy amongst the school children. The students of 8th, 9th, and 10th class students of Z.P.H. Girls school, Rajampet, were offered training in from 3rd February to 15th February 2016 in Microsoft Office and how to consult Internet for academic development. Mrs. Laxmi Devi, Headmaster of Z. P. H. S. School, Mannur, thanked the students for conducting this program and lauded this social responsibility initiative by AITS. High school students should utilize the opportunity to update their knowledge said, Prof. G. Prabhakara Rao, Director. Education along with supplementary skills like computer knowledge enables students be successful in their studies said, Prof. S. M. V. Narayana, Principal. R. Madan Mohan, Assistant Professor at Dept. of EEE chalked out this programme.

Donation for the construction of Temple

Temple Construction Committee Members receiving donation

Sri C. Gangi Reddy and C. Yella Reddy donated 10 Lakh rupees for the construction of Mannur Udayagiri Yellamma Talli Temple. The donation was handed over to Mr. V. Subbanna and Mr. E. Sreenivasulu, the members of the temple construction committee on 18th January 2016.

An Awareness Programme on Asic Verification

Mr. C. N. J. V. Prasad, Wipro, interacting with the students

Alumni Association organized A Career Guidance Programme on ASIC Verification 9th January 2016. Mr. C. N. J. V. Prasad, Senior Verification Officer, Wipro Technologies addressed final year B. Tech. and M. Tech. students on the importance of the ASIC verification and explained how it helps to get hardware related jobs in multinational companies. Prof. A. Subramanyam, Dean of Engineering; Prof. B. Abul Raheem, Head, ECE; and Mr. K. Prasad, Coordinator, Alumni Association were present on this occasion.

An Awareness Programme on Yoga

Students from Navodaya Vidyalaya enthraling the audience

An awareness programme on Yoga was hosted on the campus on 29th April 2016. Mr. Hussain, Yoga Master, stressed the importance of good health in the present stressful life. He explained the benefits of Yoga that helps maintain physical and mental health our busy existence. Students from Javahar Navodaya Vidyalaya amused the audience with their brilliant yoga skills. Prof. G. Prabhakar Rao, Director, advised the students to practice yoga every day to be healthy and happy. C. Yella Reddy, Vice-chairman, gave away mementos to the students of Navodaya vidyalaya for their excellent yoga skills. Prof. S. M. V. Narayana, Principal; and Mr. K. Prasad, were present on this occasion.

An Awareness Programme on Auto Desk

Mr. Bhaskar Rao, Design Labs, delivering the lecture

An Awareness Programme on Auto Desk Software was conducted for Civil Engineering students on 22nd January 2016. Mr. V. Bhaskar Rao, Manager, Design Labs elaborated the importance of Building Information Modelling and Revit software in the construction field. He explained the usage of the software in Architecture and Designing. He said proficiency in Auto Desk increases the chances of employment in construction industry. Prof. S. M. V. Narayana, Principal; and Dr. Y. Sriramulu, Head, Civil Engineering were also present.

An Awareness Programme on Chemical Stabilization of Soils

Prof. T. Tyagarajan, IIT Madras, receiving memento

An Awareness Programme on Chemical Stabilization of Expansive Soils was hosted by the Department of Civil Engineering on 30th January 2016. Prof. T. Tyagarajan, IIT Madras, explained the techniques of strengthening the soil by using soil stabilization techniques and explained new methods to solve the problems that arise in the construction industry. Prof. S. M. V. Narayana, Principal; and Prof. Y. Sriramulu, Head of CE felicitated the guest.

A Workshop on Outcome-based Education

Prof. Yesuratnam conducting the workshop

A One-day Workshop on “Outcome Based Education” was conducted on 22nd January 2016 by Prof. B. Yesuratnam from Osmania University. He said that engineering syllabus should be set in tune with the industry needs and expectations. He elaborated the benefits of having Outcome Based Education for the engineering students. Prof. M. Padma Lalitha, Head, EEE; Prof. G. Prabhakar Rao, Director; Prof. S. M. V. Narayana, Principal; and Sri C. Yella Reddy, Vice-chairman, AET; were present on this occasion.

An Awareness Programme on Telecom Technologies

Staff and Students in the awareness programme

An awareness programme on “2G, 3G and 4G Telecom Technologies and Professional Telecom” was held on 2nd April, 2016 for the students of 3rd ECE. Mr. K. Harish Kumar, RAF engineer, Sri Sathya Sai Teleworld Bangalore and M. Balaji Goud, RAF engineer sensitized the students on modern telecom technologies. Prof. B. Abdul Raheem, Head, ECE, spoke at length on how technology transformed over a period of 20 years and how information could reach at fast pace.

Women’s Day Celebrations

Women’s Day was celebrated on 8th March 2016 with Mrs. Shoba Rani, Additional Judicial Judge as the Chief Guest. Mrs. Shoba urged the female students and staff members to believe in one’s self and to be strong mentally and physically. Smt. P. Chandravathi, Entrepreneur and Smt. C. Pujitha, Joint Secretary, AET, attended the event as the Guests of Honor. Prof. Padmalalitha, President, Women Empowerment Cell, also spoke. Prof. G. Prabhakara Rao, Director; Prof. S. M. V. Narayana, Principal; Sri Yella Reddy, Vice-chairman, AET graced the occasion with their presence.

Mrs. Shobha Rani, Additional Judge, delivering her speech

An Awareness Programme on Missile Technology

Mr. Srinivasa Rao, DGM, Bharat Dynamics Ltd.,

An awareness programme on Missile technology was conducted in association with Bharat Dynamics Limited, Hyderabad for the third ECE and Mechanical on 5 April, 2016. Mr. Srinivasa Rao, Deputy General Manager of BDL dwelt at length on the importance of missile technology and its operation, precautions to be taken while using missiles, tackling of missile after its launch. An interactive session was held with the students. Prof. S. M. V. Narayana, Principal also spoke.

Orientation Programme for I B. Tech. Students

I B. Tech. Students and their parents during the orientation

Orientation programme for first B. Tech students was conducted on 30th June 2016. Prof. S. M. V. Narayana, Principal, welcomed the students and the parents and thanked them for choosing AITS Rajampet for their graduation. He went on to explain the academic regulations, rules and regulations of the institute. Dr. C. Ramachandra Reddy, Chairman, Sri C. Yella Reddy, Vice-chairman; Sri Abhishek Reddy, Treasurer, Prof. G. Prabhakar Rao, Director; all the Heads of the Engineering departments also spoke.

An Awareness Programme on Internet Technology

Prof. Nagaraju, Y. V. University, interacting with the students

An awareness programme on Internet Technology was conducted for IT students on 13th April, 2016. Prof. Nagaraju from Yogi Vemana University delivered his lecture on the significance of Internet technology, web technologies, and Java Server Pages. Prof. Subba Rao, Head, IT, also spoke.

An Essay Writing Competition on Ambedkar Ideology

An Essay writing competition was held on account of Ambedkar Jayanthi on 14th April, 2016 for all the students. The competition was conducted on a very interesting topic, "Dr. Ambedkar and his Ideology", which would motivate the students to understand Dr. Ambedkar, said Prof. S. M. V. Narayana. Annapurna Bhavani of CSE bagged the first prize and Ujjaini of EEE secured the second prize. Dr. M. C. Raju, Head, H&S; Dr. Bala Nagendra Prasad, In-Charge of English Language Training Centre and other English teachers organized this event.

An Awareness Programme on Engineering Admissions

Prof. Pahlada Rao, Principal, JNTUCEP

An awareness programme on engineering admissions was held on 17th April, 2016 for the students appearing for EAMCET-2016. Prof. Pahlada Rao, Principal of JNTU college of Engineering, explained the process of web counselling and admission into engineering colleges. Prof. Prabhakara Rao, Director; and Prof. S. M. V. Narayana, Principal shared the dais with the resource person.

Doctorate Conferred

Mr. Venkata Ramana, Assistant Professor at Department of Business Administration, was conferred on PhD by Sri Venkateswara University, Tirupati, for his research on "Impact of Working Capital on Probability in Select Cement companies of Andhra Pradesh", under the supervision of Prof. K Rama Krishnaiah, S. V. University.

Open Text Technologies Recruitment Drive

Students appearing for online examination during recruitment

Open Text Technologies Hyderabad conducted a campus recruitment for final year CSE and IT students on 23rd January 2016. Members of the recruiting team, Mr. Naveen Sundar, Mr. Kiran and Mr. Mallikarjuna conducted the written test for the students. Mr. Sreenivasa Rao, Placement Officer said that out of 10 students who cleared the written test, four students were appointed by the company. Prof. G. Prabhakar Rao, Director; Prof. S. M. V. Narayana, Principal; and Sri C. Yella Reddy, Vice-chairman congratulated the selected students.

CYIENT Recruitment

HR Personnel from CYIENT, Hyderabad, making a presentation

A Campus drive was conducted by CYIENT, Hyderabad, on 25th April 2016 for the final year Mechanical and ECE students. A total of 172 students attended the first round and 27 students managed to qualify the second round. A total of 12 students were able to get through the final round and were appointed by the company. Prof. Prabhakara Rao, Director; and Prof. S. M. V. Narayana, Principal, congratulated the students.

Student Excellence@ Job Mela

Students who got placed at Jobmela

Andhra Pradesh Human Resource and Development conducted a mega job mela on 27th March, 2016 at Annamacharya Institute of Technology and Sciences, Kadapa. Nearly 300 hundred students from all across the state participated in the drive. 100 students from AITS, Rajampet got placed in various companies, said Mr. K. Sreenivasa Rao, Placement Officer. The college is well furnished and is home to qualified staff which help student scale great heights, said Sri Choppa Gangi Reddy.

Aagna Global Solutions Recruitment

Students appointed by Aagna Global Solutions

Aagna Global Solutions, one of the foremost providers of consulting, technology, outsourcing services, conducted a campus recruitment drive on 21st March 2016. Aagna Group helps its clients transform in order to improve their performance and competitive positioning, said, Mr. Patrics, Representative from Aagna. A whooping number of 84 engineering students 84 cracked the preliminary rounds and eventually 62 students were selected. Mr. K. Srinivasa Rao, Placement Officer; Prof. G. Prabhakara Rao, Director; Prof. S. M. V. Narayana, Principal; Sri Gangi Reddy, Founder, AET; congratulated the students.

Champions @ Sports Meet

Winners with the trophies and medals with management members

Our volleyball team members namely K. Kalpana, V. Tharuni, S. Swathi, T. Sireesha, M. Akhila, M. Mounika, C. Chandrika and S. Roopa, won volley ball championship at CET National Sports Meet held at RGM Nandyal from 27th to 29th February 2016. In the same event, K. Ranga Nayakulu, M. Viswanatha Naik, N. Sai Kumar, K. Ramchandra Reddy, T. Pavan kumar Reddy, A. Ravindra Reddy, N. Venkata Siva Bharathi, G. Yagnesh and K. Veeresh won Ball Badminton Championship. Mr. B. Nagamuni, Physical Director; Prof. S. M. V. Narayana, Principal; Prof. G. Prabhakara Rao, Director; and Sri Yella Reddy, Vice-chairman congratulated the winners.

Students shone @ E-Fest 2K16

Sri C. Gangi Reddy, the Founder, with the winners

G. Gayithri and R. Amrutha Priya of II EEE bagged first prize in "E-Fest 2k16" a national level conference, conducted by C.B.I.T and V.B.I.T, Proddutur on 23rd March, 2016. Their poster presentation titled "Production of Electricity from Alga" dealt with innovative methods of producing electricity without losing the ecological balance. R. Anandkumar and G. Anjan Kumar of II EEE secured third prize for their paper presentation titled "Voltage Multipliers" which explained the procedure of converting less A.C.Voltage to more D.C.Voltage by following step down method. M. Venkatesh, G. Veeranjanyulu and S. Siva kumar were awarded third prize in technical quiz.

Winners @ Cultural Fest

Sri C. Yella Reddy, the Director and the Principal with the winners

Our students showcased exceptional talent and creativity at Smaroh, A National Level Sports and Cultural extravaganza hosted by RGM College of Engineering and Technology, Nandyal. Shortfilms made by Saikumar (IV Mech), T. Chethan Kumar (IV CSE), Venkateswarlu (IV Mech) won all the three prizes. T. Chethan Kumar (IV CSE), Sai Kumar (IV Mech) bagged first two prizes in dubsmash. K. Sravani (CSE) secured second prize in dance, P. Amrutha (CSE) bagged third prize in Singing. T. Chethan Kumar, Sai Kumar and Bhargav bagged 1st prize in skit.

Students excelled @ Jarvis

Winners in the paper presentation at the symposium

R. Siva Sai & S. Yeswantha of III EEE, won third best paper award for their paper titled "Micro controller controlled pick and place robot" at Jarvis-16, a national level symposium, organized by Chennai Institute of Technology, Chennai, on 4th March 2016. The paper's core idea was to explain how to transport things from one place to another with Micro Controller enabled Robot. Prof. Padmalalitha, Head, EEE, congratulated the duo for their effort.

Students fared well @ TERA

Students with Sri CYR, the Principal and the Head, EEE

S. Naga Sireesha, G. Gayathri and R. Amrutha Priya of EEE excelled at TERA-2k16, a national level techno fest, organized by MITS Madanapalli on 1st April 2016. The students bagged first prize for their poster presentation on "Generation of Electricity by Algae". The students also secured second prize for their technical model on "Rain water using asphalt roads to generate electricity".

Students won @ IT Prasthanam

Winners with Sri C. Yella Reddy, Prof. G. Prabhakara Rao

Rohini and Gurusri of III IT won first prize in I.T. Prasthanam 2k16, a national level symposium organized by R.G.M. College of Engineering, Nandyal on 22nd March, 2016. Their paper titled "Internet of Things" explained how to use the advanced technology and modern tools in these changed times to suit the lifestyles of current trend and received acclaim from the adjudicators.

First Prize @ RACE 2K16

K. Vijay Kumar of III CIVIL, bagged first prize in paper presentation at RACE-2k16, a national level technical fest organized by JNTU Anathapuram on 28th March 2016. His titled "Solar Road Ways" elaborated a new technology that is likely to be implemented in India in near future.

First Prize @ Infotsav

Winners with Sri C. Yella Reddy, Vice-chairman, AET

T. Kranthi Kumar, Y. Manjunatha Chari and D. Khalil, students from the department of Business Administration bagged the first prize in Business Quiz at Bharath Infotsav 2K16, a national level student symposium, hosted by Bharath College of Engineering and Technology for Women, on 16th March 2016.

Prizes bagged @ Workshop

Winners with the Vice-chairman, the Principal & the Dean

Students of CSE bagged first and second prizes at Energy Trends in Computer Science, a national level workshop, held on 22nd April 2016 at MITS, Madanapalli. P. Archana and B. Aruna bagged the first prize for their paper presentation on "Internet of things" and K. Manasa secured the second prize for her paper on "Google Big Table".

Republic Day Celebrations

67th Republic Day was on 26th January 2016. Chief guest of the event Dr. C. Ramachandra Reddy, Chairman AET addressed the gathering on this occasion. He said that today's freedom is the result of sacrifices of great leaders and advised the audience to follow their path to make India number one in the world. He gave away prizes to winners of various competitions. Prof. G. Prabhakara Rao, Director; Prof. S.M.V Narayana, Principal, AITS; all the staff and students were present during this event.

Ugadi Celebrations

Ugadi pacchhadi being offered to Prof. G. Prabhakara Rao

Ugadi, the Telugu New year was celebrated on 8th April 2016. Sri Choppa Yella Reddy, Vice-chairman of the Trust distributed Ugadi pacchhadi and sweets to all the staff. Prof. G. Prabhakara Rao, Director; Prof. S. M. V. Narayana, Principal, and staff participated in the celebrations

Vivekananda Jayanthi

Sri C. Gangi Reddy, the Founder, garlanding the portrait

Swami Vivekananda Jayanthi was celebrated on 12th January 2016. Sri C. Gangi Reddy, Founder AET garlanded the portrait of Swami Vivekananda and offered his respects. He urged the students to get inspired from the life and teachings of Swami. Prof. S. M. V. Narayana, Principal; and Dr. G. Prabhakara Rao, Director also spoke.

National Voters' Day

Students taking the pledge in the open-air auditorium

National Voters' Day is celebrated on 25th January 2016. Prof. S. M. V. Narayana, Principal, made the faculty and students of AITS Rajampet to take pledge on this occasion. Dr. G. Prabhakar Rao, Director; and Sri Yella Reddy, Vice-chairman, were present on this occasion.

New Year Celebrations

Prof. G. Prabhakara Rao & Prof. SMV Narayana cutting the cake

New Year was grandly celebrated by the faculty and students on 1st January 2016. Dr. G. Prabhakar Rao, Director and Dr. S.M.V Narayana, Principal have cut the cake and distributed among the staff and students. C. Yella Reddy, Vice-chairman wished all the faculty a happy and prosperous new year.
