THE NEWSLETTER OF ANNAMACHARYA INSTITUTE OF TECHNOLOGY AND SCIENCES, RAJAMPET

4th Graduation Day celebrated

Prof. M. M. M. Sarkar, Vice-chancellor, JNTU, delivering graduation address

4th Graduation Day was celebrated with much pomp and gaiety on 9th July 2016 on the campus. The Chief Guest Prof. M. M. M. Sarkar, Vice-Chancellor, JNTUA Ananthapuram presented provisional certificates to the Engineering graduates, MBA and MCA students. Sri C. Gangi Reddy, the Founder, presided over the function. Prof. M. M. M. Sarkar opined that AITS is one of the best colleges in South India and appreciated the management for putting in a lot of hard work to achieve such status. He also felt privileged to have been invited to be the chief guest for the celebrations. He also mentioned that graduation is the conclusion of one phase and the beginning of a new phase in life and advised the students to update their knowledge on par with the technology and excel in their respective fields. Sri Gangi Reddy talked about the services rendered by Annamacharya Educational Institutions. He also stated that it is high time that the youth should take up higher studies and work for the betterment of society. Dr. SMV Narayana touched upon the importance of developing leadership qualities to further career. Dr. Govinda Rajulu, Principal, JNTUCEA, Pulivendula graced the occasion as the Guest of Honor. Dr. G. Prabhakara Rao, Director; Sri Choppa Yella Reddy, Vice Chairman of AET, HODs and other staff took part in the event.

Best Educational Institution Award conferred

Annamacharya Institute of Technology and Sciences is awarded "Best Educational Institution Award(South)" by Dewang Mehta Foundation, founded in memory of Dewang Mehta, the former President of NASSCOM. The award is bestowed upon the institute in recognition of its quality-driven engineering education, research and development and industry interface in the field of education. DMFT supports activities that help narrow the digital divide and take the benefits of IT down to the masses of the country. The coveted award is based on a nation-wide survey conducted on "Information Revolution"

Mr. C. Abhishek Reddy, Treasurer and Executive Director, Annamacharya Educational Trust, received the award at the "24th Business School Affaire & Dewang Mehta National Education Awards" on 2nd December 2016, held at Taj Lands End, Mumbai.

C. Gangi Reddy, the Founder, said, "Continuous and uncompromised efforts made by AITS fraternity brought these laurels to the college." Dr. G. Prabhakar Rao, Director AITS, Dr. S.M.V Narayana, Principal, AITS, C. Yella Reddy, vice-chairman AITS, HODs expressed their happiness on this achievement.

Mr. C. Abhishek, Treasurer, AET, receiving the award

Divisional Level Youth Fest

Sri M. Mallikharjuna Reddy delivering his note

Divisional Level Youth Fest was hosted on 25th October 2016. Sri. Meda Mallikarjuna Reddy, WHIP, Govt. of AP and MLA of Rajampet constituency, graced the fest as the Chief Guest. The fest was organized by Dept. of Youth Services, STEP, Kadapa, with the help of AITS Cultural Association. This Divisional Youth Fest is the curtain raiser for National Youth Fest 2017, which will be organized to celebrate the birth anniversary of Sri Swami Vivekananda.

Various competitions were conducted such as singing, one act play, dance and Carnatic music etc., Old forms such as Folk Dance and Folk songs which are on the verge of decay are preserved and kept alive in the youth festival.

Sri. Mallikarjuna Reddy said, "Youth have to show equal interest in both studies and cultural activities and excel in the both fields".

Later, Sri Meda Mallikarjuna Reddy gave away prizes to the winners in the competitions. Ms. Reka Pavani & Co; A Rajeswari & Co; K. Suresh & Co won first, second and third prizes respectively. Ms. K. Pavani & Co accomplished prize in the event of Folk song (group), Ms. K. Pavani secured prize for One Act Play (Hindi), Ms. Sruthi, Ms. Naga Sai Pranathi, Ms. Sasi Priya from AITS won 1st, 2nd & 3rd prizes respectively in Carnatic (Solo). In Elocution (English) Ms. M. Anusha; Mr. K. Prasad; Ms. J. V. S. Chandana from AITS secured 1st, 2nd & 3rd prizes respectively. Sri. C. Gangi Reddy, the Founder; Sri C. Yella Reddy, Vice-chairman, AET; Dr. G. Prabhakar Rao, Director; Dr. S. M. V. Narayana, Principal; and Prof. M. Subba Rao, In-charge, Cultural Association thanked officials from STEP Office, Kadapa, for choosing AITS to host the prestigious Youth Fest.

Prathibha Awards 2016

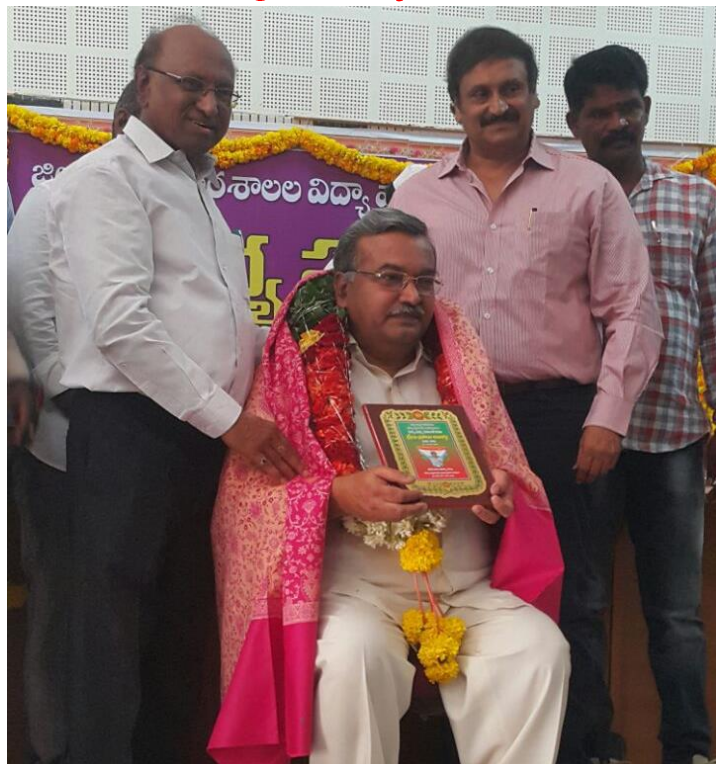

K. Susmitha Civil	G. Rukmini MCA	Y. Gowthami MBA	S. Abid Basha MCA
----------------------	-------------------	--------------------	----------------------

Government of Andhra Pradesh announced that four students of AITS will be awarded Prathibha Awards for the academic year 2016. Ms. K. Susmitha, (CIVIL); Y. Gowthami (MBA); G. Rukmini (MCA); and Mr. S. Abid Basha (MCA); were chosen for this coveted award.

Sri C. Gangi Reddy, the Founder; Sri C. Yella Reddy, the Vice-chairman; Sri C. Abhishek, Treasurer; Prof. G. Prabhakara Rao, Director; and Prof. S. M. V. Narayana, Principal expressed their happiness and appreciated the successful achievement of the students and wished the students a bright future.

Sri Gangi Reddy felicitated

Sri C. Gangi Reddy, the Founder of AITS, was felicitated by District High School Physical Education Teachers' Association for his selfless service for the poor students in government high schools. Sri Sathyanarayana, District Collector, remembered that Sri Gangi Reddy donated uniforms to the students who are selected for school games and sports events. Sri Bhanumurthi Raju, Regional Inspector of Physical Education, lauded the efforts of Gangi Reddy for his service to Rajampet region by establishing educational institutions.

Alumni Meet 2016 @ Bangalore

Sri Abhishek and Dr. SMV Narayana presenting memento

Annual Alumni Meet was held on 11th December 2016 at Bhageni Suits, Martha Halli, Bangalore. Sri C. Abhishek, Executive Director, AITS, addressed the former students. He said, “Alumni should guide the students of the institute to choose the right field to get success in their lives.” Dr. S.M.V. Narayana, Principal, said that former students act as role model for the present students. Sri K. Prasad, Coordinator Alumni Association, said that Alumni Association is a very active body and it has been conducting training programs for the students and social service programmes to help the poor pursue education.

NC e'-TIDES – 16 organized by ECE

Department of Electronics and Communication Engineering organized a National Conference namely, NC'e-TIDES-16, on 16th and 17th December, 2016. Dr. K. Soundararajan, Ex-Rector, JNTUA, the Chief Guest of the event, addressed the students. He said, “Students should present qualitative research papers to contribute to the growth of the field.” He stressed upon the importance of embedded systems in the present world. Dr. G. Prabhakar Rao, Director, enunciated the importance of the conduct such conferences to boost the knowledge of the students and researchers. Dr. S.M.V. Narayana, Principal, AITS, Dr. S. Fahimuddin, Coordinator, NC'e-TIDES-16, Dr. C.H. Nagaraju, HOD ECE, faculty and students were present in the event.

Top Performing College Award by IBM

Management members with the coveted award

AITs is striding ahead in imparting quality technical education to the thousands of students with the help of top class infrastructure. Unstinting dedication to this cause has won many laurels to Annamacharya Institute of Technology & Sciences, Rajampet. In this row, yet another feather is added to the cap in the name of Top Performing College Award given by IBM, TGMC-2015, in the award ceremony held at BVRIT College, Hyderabad.

IBM TGMC conducted a nation-wide survey to select top performing Engineering colleges in India with respect to developing the projects in IBM BLUEMIX platform. AITS stood in the top, winning this coveted award. Sri C. Gangi Reddy, the Founder expressed his immense happiness over this achievement. Sri C. Yella Reddy, Vice-Chairman; Sri C. Abhishek, Treasurer; Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; Dr. A. Subramanyam, Dean, Administration; Dr. N. Mallikarjuna Rao, Coordinator, IQAC, felt glad that AITS was chosen for this prestigious award.

Dr. K. Soundararajan delivering keynote address

Three-day Workshop on Industrial Automation

National Level Workshop on Lean Six sigma

Dr. SMV Narayana and Dr. M. Padmalalitha with the resource persons

A Three-day workshop on Industrial Automation was organized by the Department of EEE from 29th July 2016 for the benefit of students. Pavan Kumar and Yeswanth Babu were invited as the resource persons for the workshop. Prof. Padma Lalitha, Head, Dept. of EEE, said, students will learn about the practical applications of theoretical concepts discussed in the classroom. Prof. SMV Narayana, Principal; and Prof. Prabhakara Rao, Director, also spoke in the inaugural function of the workshop.

Dr. G. Siva Kumar, delivering his address

Department of Mechanical Engineering organized a one day national level workshop on "Lean Six Sigma" on 3rd September 2017. Dr. G. Siva Kumar and G. Manoj Kumar were invited as guest speakers to this event. Dr. G. Siva Kumar stressed the importance of "Six Sigma" in the production sector. He said Six Sigma is the combination of culture, tools and methodology. Companies have to reduce errors in methodology to manufacture high quality products and cited the example of Motorola that implemented it in 1986 to achieve best results. Mr. G. Monoj Kumar elucidated "Lean Concept" to the participants and conducted a Tab-Practice Session. Dr. S.M.V Narayana, Principal; and Dr. N. Venkatachalapati, Head, ME, were present on the dais.

A Two-day Workshop on Embedded Systems using ARM

A Two-day workshop on "Embedded System Design using ARM" was organized by the Department of Electrical and Electronics Communication Engineering on 30th September & 1st October, 2016. Chief Guest of the event Mr. S. Naryanaraju, Member Technical Staff, AMD Bangalore addressed the students on this occasion. He said technology has taken a new turn in the modern world and it is dominated by electronics in all facets of life. He advised the students to grab the opportunities in electronics field with innovation. Dr. G. Prabhakara Rao, Director, said workshops like these enlighten the knowledge of students to know new trends in the field. Dr. S.M.V Narayana, Principal; C. Yella Reddy, Vice-chairman, AET; Prof B. Abdul Raheem, Head, ECE, also spoke.

Mr. S. Naryanaraju, AMD, being felicitated by Sri CYR and Dr. GPR

A Guest Lecture on Entrepreneurship and Employability

Prof. Santhil Kumar, being presented a memento

Department of Mechanical Engineering arranged a guest lecture to the students of B. Tech and M.B.A on 'Employability and Entrepreneurship' on 27th July, 2016. Dr. Santhil Kumar was the resource person of the program. Students those who have impulse to become an entrepreneur must get fully convergent with Various Government Acts, as the current Govt. is providing lucrative offers to begin startups, said, Dr. Santhil Kumar in his address. He added, education, higher order thinking, and self-sufficiency will pave inroads to success in entrepreneurship. Dr. S. M. V. Narayana, Principal; and Dr. Venkata Chalapathi, Head, Mechanical Engineering, were present at the inaugural session.

An Awareness Program on SAP

AITS Alumni Association conducted an Awareness Program on SAP Technology for final year ECE, CSE and IT students on 16th July 2016. Mr. Rajesh Raju, Alumni of AITS and Senior Software Solutions architect, Hyderabad sensitized the students about SAP technology. In his address, Dr. SMV Narayana, Principal, highlighted the significance of SAP and stated that the students of AITS were fortunate enough to learn a few concepts of SAP even before the completion of graduate.

A National Workshop on "An insight in to the wonderful world of Cement and Concrete"

Dr. SMV Narayana, Principal, speaking at the inaugural session

Department of Civil Engineering organized a two-day National Workshop titled "An insight into the wonderful world of Cement and Concrete" on 4th & 5th September, 2016. Mr. Vasudev Murthy, Managing Director, Build Biz Technologies was invited as Chief guest. He stressed on the role of a Civil Engineer in the present world and explained in detail concepts such as Cement manufacture, test the quality of Cement, certain developments in Concrete materials, importance of Concrete ad-mixture in construction to participants. He advised students to adopt modern technologies in construction sector to make India strong in the field. Dr. G. Prabhakara Rao, Director; Dr. S.M.V Narayana, Principal; Dr. Y. Sri Ramulu, Head, CE, and faculty were present in this event.

Students won at Techfest

Students receiving Certificates of achievement from Sri CYR and others

Ms. S. Sai Sravya & Ms. I. Sunitha Rani, studying IV CSE of the institute bagged 1st Prize for their paper titled "Brain Gate". They presented the paper at Mohan Manthra-2k16, A National Level Tech Fest held at Sri Vidya Nikethan, Tirupathi on 20th Oct, 2016. This technology is beneficial for a neurologist to study seizure patterns in a patient with epilepsy and fix the problem, said the students.

A Workshop on “Creativity and Innovation for Engineers”

Dr. K. Prahlada Rao, Principal, JNTUCEA, delivering his address

An awareness program on creativity and novelty was held on the premises of AITS on 18th July 2016. Mechanical engineering association has been inaugurated on this occasion. The chief guest Dr. K. Prahlada Rao, Principal, JNTUCEA, dwelt at length on the importance of creativity and novelty for the students of Mechanical Engineering. Sri Choppa Yella Reddy, Vice-chairman, AET; Dr. G. Prabhakara Rao, Director, Dr. SMV Narayana, Principal, also spoke. Staff and students were present as audience.

A Guest Lecture on Satellite-based Augmented System

A glimpse of the audience at the session

A guest lecture on “Satellite based Augmented System” was organized by Alumni Association on 9th September, 2016. Mr. P. Rajendra Prasad, Junior executive, Airport Authority of India acted as the resource person. He provided comprehensive information over Technology used at Airports, Speed control, Radar systems and Antennas. He took questions from students and answered in detail. Mr. K. Prasad, Coordinator, Alumni Association, HODs, and faculty were present.

An Awareness Program on Prominence of Civil Engineering

Prof. I. Rama Chandra Reddy, Chairman, JB Group, interacting

An awareness Program on ‘Prominence of Civil Engineering’ was conducted to the students of Civil Engineering Dept. on 30th July, 2016. Prof. I. Rama Chandra Reddy, Chairman, J. B. Group of Educational Institutions, Hyderabad was the Chief Guest of the program. Professional Skills help one to succeed in any profession, said, Prof. Reddy, in his address to students. Also, Prof. Reddy sensitized members of the faculty with the techniques to be followed and changed on par with the advancement of technology and time. Dr. Sreeramulu, Head, Civil Engg. Dr. G. Prabhakar Rao, Director; Sri. C.Yella Reddy, Vice-Chairman, staff and students were present during the program.

A rally on “Eradication of Menace of Mosquitos”

A rally on “Eradication of Menace of Mosquitos” was organized by NSS Unit on 23rd September 2016. Students of AITS took part in the rally to create awareness in the society regarding the adverse effects of mosquitos on health. Sri Yella Reddy, Vice-chairman, AET, Dr. S.M.V Narayana, Principal, Dr. Subramanyam, Dean of Engineering joined the students in the rally.

An Awareness Program on Internet of Things

Dr. Ravi Kishore & Dr. Lakshmi, NIT Warangal, accepting mementos

An awareness programme on “Internet of Things” was conducted on 26th September, 2016. Dr. K. Ravi Kishore, Associate Professor, NIT Warangal and Dr. B. Lakshmi, Associate Professor, NIT Warangal were invited as guest speakers on this event. Dr. K. Ravi Kishore gave the importance of IOT in tools like, Body temperature, Blood Pressure, Hospitality and Agriculture to the students. Dr. B. Lakshmi elucidated the importance of IOT and guided students developing tools based on IOT. Dr. A. Subramanyam, Dean of Engineering, AITS explained how to manufacture tools using IOT on this event to students.

APSSDC Recruitment Training

Andhra Pradesh State Skill Development Corporation offered recruitment training to IV, III B. Tech & III MCA students on the campus on every Friday on the campus. Students under this program were trained online on programming skills, aptitude and reasoning, verbal and non-verbal communication skills necessary to get through in the interviews. Dr. A. Subramanyam, Dean & Program Coordinator, APSSDC, said, this training is helpful to the IV B. Tech students to get placed in either public or private sector. He added, approximately 750 members are attending the training program on every Friday. Ms. K. Madhavi & Ms. G. Hemalatha, Mentors, Training said that the training aims at enhancing the skill sets of the students to make them employable.

A Personality Development Program by Prof. KVSG Murali Krishna

Prof. KVSG Murali Krishna, being felicitated

Prof. K.V.S.G Murali Krishna, Principal, JNTU College of Engineering, conducted a personality development programme on 31st August & 1st September, 2016 for I B. Tech students. He said hard work, discipline is important for the students to achieve high goals. His stirring speech was received by students with cheer and he appreciated the management efforts to conduct training programs for the welfare of students. Prof. KVSG was duly felicitated by Dr. G. Prabhakara Rao, Director; Dr. S.M.V Narayana, Principal; C. Yella Reddy, Vice-chairman; Dr. MC Raju, Head, HSD and Dr. BBN Prasad, Coordinator, CELL, were present on this occasion.

Training Program on Soft Skills

A glimpse of the training program in the institute gallery

Industry-Institute Interaction Cell of Department of EEE organized a one-day training program on resume building and interview skills. Mr. K. Adithya, Business Development Manager, Hyderabad was the resource person of the program. He explained resume building skills while throwing light on how to be successful in interviews. Essential Dos and Dons during a selection interview, significance of English Communication skills and non-verbal communication were explained in the training program.

University Level Judo Selections

Judokas during selections

'JNTUA University Judo selections' were held on the premises on 15th October, 2016. Sri. B. Joji Reddy, Secretary, Sports Council, JNTUA was the Chief Guest for the selection event. At the inauguration function, Dr. S. M. V. Narayana, Principal, recalled, how Judo is brought to India by Rabindranath Tagore, during his address. Sri K. M. Babu, Secretary, AP Judo Association, Member of the selection committee, said, Judo is a fascinating sport and he added, students with discipline, excel in their endeavors. Mr. B. Nagamuni, Physical Director, announced that Mr. S. Gadilinga, (AITS); Mr. S. Chand Basha (AITS, TPTY); Mr. P. Yugandar, (AITS,); Mr. Shobin Zhakaria (AITS); Ms. R. V. Gnaneswari (ANCP, RJPT); Ms. B. Bujji (AITS); Ms. B. V. S. Pranathi (AITS); Ms. B. Sumathi (AITS); Ms. T. Sumalatha (ANCP, RJPT); Ms. K. Mani Deepika (AITS), Ms. A. Thanuja (AITS) were selected to represent JNTUA, Anantapur at NIT, Kurukshethra, Haryana in the Inter University Tournament.

An Awareness Program on Internal Combustion Engine

Mr. Jaffar Hussain, Head, GMM Ltd, conducting the program

Department of Mechanical Engineering conducted an awareness program on "Advanced IC Engines for Generators Application" to the students of the Mechanical Engineering on 22nd October, 2016. Mr. Jaffar Hussain, Head, Product Support, GMM & Co Ltd, Chennai, was the resource person of the program. In his address, he said, to manufacture and use a Washing Machine, the synthesis of both Electrical & Electronics Engineering & Mechanical Engineering knowledge is needed, hence the Student of Mechanical Engineering should have knowledge on Electrical & Electronics stream apart from their core subjects, he emphasized.

Firm hold on basics is must even though latest technologies are at arm's reach, said, the resource person. Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; Dr. N. Venkata Chalapathi, Head, Mechanical Engineering were present during the lecture.

A Guest Lecture on Fuzzy Approach to Power System Security

Department of Electrical and Electronics Engineering organized a guest lecture on "Fuzzy approach to power systems security". Dr. K. Vysakh, HOD, EEE, Andhra University, Vizag was the resource person of the session. Dr. Vysakh sensitized students of EEE dept. on the importance of power systems, optimal power flow approach, and economic load dispatch. In the event of system failure to operate Power system in secure mode, 'Fuzzy Logic' which is a Technique of artificial intelligence, comes handy in operating things properly, said Dr. Vysakh. Transmission lines get overloaded if the power system is not operated in secure mode therefore break in power supply happens, added the resource person. Post lecture, Dr. Vysakh offered brief guidelines on research possibilities in the department to the staff.

Dr. K. Vysakh, Head, EEE, AU, delivering lecture

Job Mela organized by APSSDC

Students appearing for online exam

A mega Job Mela was conducted by “Andhra Pradesh Skill Development Centre” for SSC, Intermediate, Graduation, Engineers at AITS Rajampet on 25th September, 2016. Leading multi-national corporations like Reliance, Flipkart, Global Solutions, HDFC, TATA business Support services took part in recruitment drive and offered jobs to the eligible candidates. Over fifteen hundred students across the state appeared for the drive and eight hundred twenty-one students selected in various companies. Dr. G. Prabhakar Rao, Director AITS, Dr. S.M.V Narayana, Principal, AITS, C. Yella Reddy, Vice-chairman of AET, congratulated the selected students on this occasion.

Multiplier Solutions Recruitment

Students during the Group Discussion

An on-campus drive was held at AITS for the final year students of all the branches of Engineering and MBA on 16th October. As many as 268 students underwent online exam from which 50 students were qualified for GD round. The students who are short listed would appear for Face to Face interview at the head office located in Hyderabad, said, Mr. Nagendra, Human Resource Manager.

Technovert Solutions recruitment

An on Campus drive was held at on 23rd and 24th October, 2016 by Technovert Solutions, Pvt. Ltd. This Hyderabad-based firm works with Enterprises, System Integrator & Startups providing full-range of Microsoft Solutions including: SharePoint Solutions, Managed Services, Product (re) Engineering, Cloud & Mobile App Development, Maintenance & Support and Quality Engineering services. 38 students were qualified in the written exam and appeared for ‘app development round’. Six students succeeded in the final HR round, said Mr. AnooB, HR, Techno Vert Solutions, Hyderabad. Management and Staff congratulated the students who got placed.

GGK Technologies recruitment

Students who got placed at Jobmela

G.G.K Technologies, Hyderabad conducted Interviews to IV B. Tech Students at on 21st October, 2016. Sixty students were qualified in the written exam and were evaluated in Programming Skills round. 11 students succeeded in the 3rd round and secured jobs. Students must be industry ready by using the resources provided at the institute said Sri. C. Gangi Reddy, Hon’ble Secretary; Dr. G. Prabhakar Rao, Director; Dr. S. M. V. Narayana, Principal; Mr. K. Srinivasa Rao, TPO. Management and Staff congratulated the students who got jobs. Students who got placed thanked Management and Staff for the opportunities provided.

Engineers' day Celebration

Doctorate Awards

Mr. C. Nagaraju, Associate Professor, Department of ECE, was conferred on Doctor of Philosophy on 6th July 2016 by S. R. University, Raighad, for his research work on “BER performance analysis and PAMR mitigation in mimo OFDR systems” under the supervision of Dr. M. V. Subramanyam, Principal of Santhiram Engineering college, Nandyal.

Mr. K. Suresh, Assistant Professor, Department of IT, was awarded Ph.D by VIT University, on 21st November, 2016, for his research titled “Novel Energy Efficient Communication Strategies for Internet of Things Using Green Computing Approach” under the supervision of Prof. Dr. M. Rajasekhara Babu, VIT University, Vellore.

Mr. M. Rudra Kumar, Associate Professor, Department of CSE, was awarded Ph.D. by Jawaharlal Nehru Technological University, Anantapuram on 6th December 2016 for his research titled “Maintenance of software Artefacts through Machine Learning Approaches” under the guidance of Prof. A. Anandarao, Director of Academic and Planning, JNTUA.

Mr S. Fahimuddin, Assistant Professor, Department of ECE, was awarded Ph.D. by Sunrise University, Raighad, on 6th July 2016 for his research titled “An improved Hybrid image processing model for study of abnormalities in Diabetic Related Images” under the guidance of Prof. Anil Kumar Sharma, Alwar, Rajasthan.

Student Excellence at Vidyuthsav2k16

R. Siva Sai and S. Yashwanth of IV EEE won second prize in “VIDYUTHSAV 2K16’ National Conference organized at Dhana Lakshmi college of Engineering, Chennai. Their presentation titled “Micro Controller based safety and security in a car” explained how to tackle the drunk and drive situations using technology brought appreciation of the reviewers at the conference.

Judo Talent @ 3rd State Cadet Competitions

State Cadet and Juniors Inter District Competitions were organized by AP Government at Viswam High School, Tirupati, from 12 November 2016 to 14 November 2016. A. Thanuja from IV ECE and V. Sumathi from IV ME bagged Gold medals. B. Bujji from IV ECE and T. Sumalatha from II Pharmacy, won Silver medals and K. Mani Deepika IV ME got Bronze medal. P. Sai Teja from III ME, Y. Gopi Krishna, T. Bhargav, H. Bhanu Prakash from IV ME and B. Tharun Reddy won Bronze Medals.

MBA Students won Brainteaser Competition

Students receiving certificates of merit from management

Mr. A. Raajiv Reddy & Mr. M. Rajashekar Reddy, Students of MBA, won Brainteaser competition conducted as part of National Level Competitions by Annamacharya Institute of Technology and Sciences, Tirupathi. The duo secured 1st prize worth Rs. 3000 in the event on 26th October, 2016.

Awareness program on Yoga

Students performing Yoga asanas

Alumni welfare Association, AITS, Rajampet & Jawahar Nawodaya Vidyalaya, Naraparaju Palli jointly conducted an awareness program on Yoga to the students of AITS on the campus on 7th October, 2016. Well-trained students of Navodaya Vidyalaya, exhibited their skills in doing yoga. They blended pyramid models and Yogasanas and surprised the audience with their stage show.

Azaadi 70 Celebrations

Student made way into University Cricket team

Sai Vaibhav with Sri C. Gangi Reddy, the Founder of AITS

Mr. Sai Vaibhav, Student, I M. Tech (CSE) got selected for JNTUA, Ananthapur University Cricket Team in the 'University level Cricket Selections' held at Adi Shankara Engineering College, GUDUR on 25th and 26th Oct, 2016. Mr. Sai Vaibhav competed with other students from 350 constituent colleges to JNTUA, Ananthapur as part of the selections and secured place in the university team.

Rangoli Competitions

Department of Human Resources and Development of India invited various colleges to conduct Rangoli competitions as a part of "AZAD 70" on Independence Day. In tune with this call of the Government, the Cultural Association organized Rangoli competitions on 11th August 2016 and awarded prizes to the winners on Independence Day 2016.

Sri Narendra Modi, the Prime Minister of India, initiated AZADI-70 Yaad Kurbani, a fortnight celebrations, to mark 75th anniversary of Quit India Movement and 70th Independence Day Celebrations. On this occasion the youth were invited to show off their skills to propagate the standards of India. As a part of this mission, competitions were held on singing patriotic songs, and drawing images of freedom fighters. College level Cricket tournament, Elocution, Essay writing, and Test of English Language and Reasoning were also conducted. Dr. C. Ramachandra Reddy, Chairman congratulated and presented the winners with certificates of achievement and cash prize on Independence Day 2016.

Freshers' Day Celebrations

Sri C. Yella Reddy speaking at ECE Freshers' Day

Student Performance at CSE Freshers' Day

Students performing dance at IT Freshers' Day

Aavirbhav, Freshers' Day of Civil Engineering students

Faculty and students pledging for Swachh Bharath

Dr. APJ Abdul Kalam's Birth Anniversary celebrated
